

BLUE LAGOON

LUXURY RESIDENCES

A PROJECT BY
VARINDER CONSTRUCTIONS
INTERNATIONAL LIMITED

VCL Group is a leading integrated Engineering, Procurement, and Construction (EPC) company with a proven track record across India, Maldives, and Mauritius.

With over three decades of experience, our portfolio spans residential and commercial developments, office spaces, hospitals, high courts, railway stations, libraries, and critical infrastructure such as metro depots, aircraft hangars, and roadways.

Founded in 1987 by Mr. Varinder Garg, Chairman, a visionary leader with about 4 decades in the construction industry, VCL has grown into one of the most respected names in the sector. Under his guidance, the company rapidly rose through the ranks to become a Super Special "SS" class contractor by 1997 for MES & Class I Super category in CPWD. His leadership has also earned him the role of President of the MES Builders Association, along with numerous industry accolades.

With over 175 completed projects across 30+ cities, we have constructed more than 43 million square feet and delivered over 26,000 housing units. Our commitment to quality and innovation has made us a trusted name in the construction industry, consistently delivering projects that meet and exceed both client expectations and industry standards.

Blue Lagoon is done by VCIL (Varindera Construction International Limited) which is one of the companies in VCL Group specially set up for executing projects outside of India.

PROJECT HIGHLIGHTS AND AMENITIES

PROJECT HIGHLIGHTS

ONE OF THE LARGEST RESIDENTIAL PROJECT IN THE MALDIVES

Setting a benchmark in scale and vision, this development proudly stands as one of the largest residential project in the Maldives, offering an unparalleled living experience in a premium urban setting.

TERRACE GARDEN & SWIMMING POOL

An 18,000+ sq. ft. terrace garden crowned with a luxurious swimming pool offers a tranquil escape, blending nature with modern living for the ultimate rooftop retreat.

CROSS-VENTILATED & WELL-LIT HOMES

Units in the project are thoughtfully designed to ensure ample natural light and cross ventilation, creating bright, airy living spaces that promote health and comfort throughout the day.

EV CHARGING INFRASTRUCTURE

Keeping pace with sustainable living, the project features dedicated EV charging stations, supporting an eco-conscious lifestyle for the modern homeowner.

SPACIOUS BALCONY LIVING

Our homes are designed with expansive balconies, giving residents a private outdoor corner to relax, sip a coffee, or soak in the island breeze—right from the comfort of their own home.

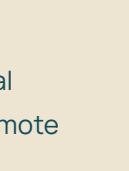

EXPANSIVE CLUBHOUSE AMENITIES

Residents enjoy access to a sprawling 15,000+ sq. ft. clubhouse, thoughtfully designed with leisure, fitness, and community in mind – perfect for relaxation and social gatherings.

GRAND LUXURY LOBBY

The luxury entrance lobbies set a sophisticated tone from the moment you step in, with elegant finishes and stylish décor that reflect refined taste and high standards.

EFFICIENT VERTICAL MOBILITY

Each tower is equipped with six high-speed lifts, significantly reducing waiting time and ensuring smooth, efficient access to all floors, even during peak hours.

PREMIUM FINISHES THROUGHOUT

High-end materials and superior craftsmanship are evident in every corner of the project, ensuring a luxurious, long-lasting finish that complements contemporary living.

SWIMMING POOL AND ROOFTOP GARDEN

The rooftop swimming pool, elegantly positioned between the two residential towers, offers a distinctive retreat where residents can indulge in relaxation and enjoyment. With stunning views of the horizon and ocean, this unique pool area provides an ideal space for socialising and soaking up the beauty of your surroundings.

Here you can also surround yourself with extraordinary views on our Rooftop Garden. As one of many garden areas on the property, and the largest rooftop garden in the Maldives, this serene oasis provides the perfect setting to relax, reflect, or socialise in a picturesque environment.
